

## John C. Allen

### Of Counsel

John C. Allen focuses his practice on environmental litigation, state and federal public utility law, energy, telecommunications, and transactions involving commercial real estate. Mr. Allen has represented utilities, natural gas markets, and competitive local exchange carriers in matters before state regulatory agencies and the courts. He has represented clients in matters involving natural gas supply contracts; natural gas, and telecommunications certificates, tariffs, and rulemakings; natural gas capacity supply proceedings; manufactured gas plant clean-ups; pipeline replacement programs; and major rate case litigation.

Prior to attending law school, Mr. Allen worked as an engineer concentrating on environmental issues in the textiles and plastics industries.
